

Key Stage 1 (year 1 and 2) Homework Incentive Scheme

Dear Parents/Carers,

Your child will be bringing homework home every week on a Friday. It is expected to be completed and handed back in by the following Thursday at the latest. The homework will consist of learning that has taken place during that week in lessons.

Please see the table below:

Phonics	Weekly
English	Every other week, alternating with Mathematics
Mathematics	Every other week, alternating with English
Reading	2 or 3 times a week, 5-10 minutes a time
Spelling	Daily practise in preparation for the spelling test
Timetables	Weekly

Could you please encourage and support your child with their homework as it really does support their learning in school.

We are currently running a homework incentive scheme that has been very successful in other year groups. It involves a very special fun activity on a termly basis. In order for the children to enjoy these treats at the end of each term, they have to complete their homework every week and on time. Each child will receive a sticker in their homework book each week and we will keep a log in school. We also recognise the children that go above and beyond with their homework and they will receive an extra prize at the end of term.

We understand homes and families are very busy. However, please do find short amounts of time where your child can sit comfortably and concentrate on a task. We are providing a big incentive to complete homework and want all of our children to take part.

If you have any questions please do not hesitate to come and speak to a member of key stage 1 staff. Thank you for your support.
